Student Faculty Ratio (Part F)

Not in the OHE template. Enter this datum (one number) on the IPEDS data-collection website in Part F after OHE uploads all other data (i.e., Parts A to E).

IPEDS offers on-line assistance, instructions, and a worksheet to help you determine that ratio, but that data will not be collected or saved. My worksheet (if OHE produced one) would have those data entries and calculations saved, and would not have the help.
