**Notes:**

(a) Full-time Equivalents (F.T.E.'s) are calculated by counting each part-time student as 1/3 FTE and each full-time student as 1.0 FTE.

Beginning Fall 2005, undergraduate special students are broken out by full and part-time. Prior to 2005, all special students were counted as part-time.

(b) Includes 5th and 6th year students registered in "less than half time" status, "in absentia paying tuition" and special students.

Students on leave of absence and students registered as "dissertation submission" are excluded.

(c) Includes only students paying tuition to the school, non-degree special students, and students registered as "in absentia paying tuition." Students on "leave of absence" are excluded.
