- (f) The Master of Management Studies program was created in 2016.
- (g) M.D. students may declare their participation in the Global Medicine program at any time prior to the fall of the academic year of graduation from medical school. Award of the certificate is contingent upon completion of the degree program at the School of Medicine.
- (h) In January 2006 the Yale Corporation approved establishment of the joint M.D./Master of Health Science degree for students completing a competitively funded full fifth year of research and other requirements.
