*Cross-divisional degrees awarded listed above are divided evenly between the listed divisions.

Notes:

(a) Included here are the number of Ph.D. and terminal Master's degrees awarded for the period July 1 through June 30 of each year. The simultaneous B.A./M.A. and B.S./M.S. awards are not counted as terminal degrees in this table.

(b) The degree is granted in Engineering & Applied Science. The data in the shaded boxes represent the areas of concentration in which the degrees were awarded. Students in the Ph.D. program are required to affiliate with one of the four engineering departments.
