***Molecular Biophysics & Biochemistry (MB&B) is a department in both Medicine and FAS. All MB&B faculty, including Howard Hughes faculty, are included with FAS in this table.*

General Notes:

Counts are based on the location of the primary appointment. Faculty who have fully joint appointments are counted only in one school. Administrators, such as the president, provosts, deans, directors of museums, and heads of residential colleges, are included in this table if they have a primary faculty appointment. Howard Hughes investigators are included. All counts include full and part time faculty.

1. "Ladder/Tenured" includes tenured professors and tenured associate professors.
2. "Ladder/Term" includes ladder faculty who are on the tenure track: associate professors on term, assistant professors, and lecturer convertible appointments.
3. "Ladder/Continuing" category counts ladder faculty in the professional schools who are not on the tenure track, including ladder faculty in Medicine and Nursing whose tracks do not confer tenure.
