Note:

Faculty with administrative appointments, such as president, provosts, deans and directors of museums are not included in this table. Residential college masters are included. Also included are unpaid ladder faculty who are primarily in the School of Medicine.

Notes on Race:

Starting Fall 2011, faculty were offered the opportunity to self-report their race/ethnicity using the new "two question" format, categories and wordings specified by NCES. Fall 2012 is the first year race/ethnicity is reported based entirely on self-reporting.

Two new categories were added: "Native Hawaiian or Pacific Islander" (previously counted in "Asian") and "Two or More Races".

Note, unlike NCES, this table does not include an "international" category. Faculty who are not citizens of the U.S. are reported in one of the race/ethnicity categories.
